From our Rabbi

Marcia and I just returned from a life changing experience. It was our first trip to Israel together and the second trip for both of us in almost 50 years. During our 12 days in Israel, we explored everything from the mikveh where Solomon was anointed, to the palatial residences of King Herod, both new and old Jerusalem, Tel-Aviv, the Golan, The Ramon crater, the Nabatean ruins of Petra (one of the eight wonders of the world) and Eilat. We walked between 5-7 miles a day beginning from the moment we landed at 10am on October 4th to our return on October 15. I also discovered from a second cousin once removed that my great grandfather, Yaakov Jacobs, and a son of his were murdered by the Nazis. Previously, I was only aware that my great grandfather died at the age of 80 in Lithuania.

I will be sharing our experiences in a series of 5 public lectures beginning Wednesday, November 14th through Wednesday, December 19th at 7 pm at Beth Israel Sinai in Racine. A similar series of discussions will be sponsored by New Jewish Outreach and Your Community Connect beginning Monday, November 12th– December 17th at 7 pm in the Lakeview area of Chicago. Location to be announced. This series will be advertised in both the Kenosha and Racine newspapers, the Wisconsin Jewish Chronicle and on both the Beth Israel Sinai, New Jewish Outreach, and Community Connect Facebook pages. The cost for BIS members for the series is free. Guest are asked to contribute \$50 for the series. A similar charge will be made for those attending the Chicago lectures. Checks for the Chicago lecture series can be made to Your Community Connect. Credit cards will be accepted for both the Chicago and Racine lecture series. All funds will be used to promote the Beth Israel Sinai interfaith—Community Connect 2019 tour to begin October 24th, after the end of the Jewish holiday season. During our tour I developed a strong working relationship with Asaf Peled, the CEO of Shin Tours. We were privileged to have as our personal tour guide Asaf's father, Roni, the training manager for the Israel Museum. (The Israel Museum and the Knesset were two sites we did not have time to visit.) The more people interested in attending our trip to Israel, the lower the cost. My goal is to keep the cost as low as possible per individual. Realizing that many of our participants might find it difficult to walk 5-7 miles a day, this tour will highlight Jerusalem, Tel-Aviv, Haifa, the Golan, and Gallilee, Masada and Beersheva, the home of the first Prim Minister, David Ben-Gurion. Through a series of fund raisers, my goal is to raise enough money to provide scholarships so anyone can attend. I look forward to you all joining me in this great adventure that could also change your lives.

SEE YOU IN SHULL,
RABBI MARTY

The Presidents Message

With Thanksgiving just around the corner I start to think about what I have to be thankful for. There are many things: my health, my family, and my family here at Beth Israel Sinai. I feel so lucky to have such a great place to call home. Our members are friendly and welcoming. On Saturdays, when I come to service it is like joining a family reunion. Thank you each for making this a place that welcomes all people. Thank you for making me feel a part of this family.

If you have a desire to learn how to make the challah we have on Shabbat let me know. I would be happy to teach you.

Please feel free to call me if you have any concerns, 262-945-7675
